

The Sword of the Spirit  
Ephesians 6:17-24

- ◆ Would you say you are the 'trusting type' or are you naturally suspicious of people?
- ◆ When is a time that you were reading God's Word and you felt that it was a word just for you?
- ◆ In what ways do you see the enemy lulling Christ-followers into a dull state so that they are not aware of the battle that is taking place?
- ◆ In what area does the enemy attack you the most?
- ◆ The Holy Spirit is the energizing force so that we can fight the battle effectively. How do you rely on the Holy Spirit daily in your walk with Christ?
- ◆ Make sure you pray for one another in your group.
