

Living Life in 3D

Being Fishers of Men

Matthew 4:18-22; Matthew 28:19-20

{**Leader note:** It is more important that everyone share than getting through everyone of the questions. The key is for openness to develop in the groups so that we can truly minister to one another. Your openness leads to their openness.}

- If you could live anywhere in the world, where would you choose to live?
- Who is the best leader you have ever witnessed? What did you learn from them?
- How do you respond to the statement: “You did not choose Jesus, but He chose you?” Explain your answer.
- What do you think Jesus saw in these men that led Him to call after them to follow Him?
- Why was it so risky for these guys to up and follow after Jesus? Is there a risk today?
- Why are many Christ-followers hesitant to share their faith in Jesus? Are you hesitant?
- Who is someone that you know God has put in your path for you to share your faith with? How are you going to go about doing it?
- What is one take away that you will leave this session with?
