

Message: Why is your BUT so big?

Scripture: Eph. 4:7, 11-13; Ecc. 4:4, 8-12; Hebrews 10:14-25

- What is the worst job you have ever had?
- What, in your opinion, is the goal of the church?
- What role should you play in accomplishing that goal?
- In what ways can you “spur” one another on to love and good deeds in Christ?
- Frances Schaeffer said, “Unless people see in the church not only the preaching of the truth but the practice of truth as well, they will not listen and they should not listen.” Agree? Disagree? Why?
- Why does our culture have such a problem with commitment?
- Allen gave some examples of big BUTs, what is making your BUT big?
- What actions are you willing to take to lose your big BUT?
- Take some time to listen and pray over each others needs. Make a commitment to “consider” or “focus your mind” on one person in your group that you will check on and spur on this week.
