

The Cost of Faith

Scripture: Genesis 6; Hebrews 11:7

- **When is a time when you wanted to quit on something but you kept on going? What was the outcome?**
- **How do you think Noah felt when God first revealed Himself to him? How would you have responded?**
- **Who is someone that you have admired who showed great faith? Why did you admire them?**
- **When is a time when God gave you specific direction and you stepped out and obeyed? What was the result?**
- **How would you describe your faith level currently:**
 - **Non existent**
 - **Hope God doesn't call your way**
 - **Kind of timid**
 - **Not sure I would stand up**
 - **Ready for any challenge**
 - **Other:**
- **What is one area of your life where God is asking you step out in faith right now?**
- **What is an action item that you are taking out of this session?**
- **Take time to share needs and pray for one another.**
