

Do I Have the Power of One?

1 John 1

- ▶ If you could live one day over in your life, what would that day have been?
- ▶ Why does John make such a big deal out of the fact that he saw and touched Jesus?
- ▶ Did you ever have to fess up to something that you did as a kid because you were under so much conviction?
- ▶ Why is it so difficult to admit that we are ‘broken units’? Explain.
- ▶ Why is confession so important? Why is it more powerful than getting caught doing something wrong and then admitting it?
- ▶ What would be your deduction of a person who claims Christ yet is walking out his life living just like the world?
- ▶ What is one word of confidence that you can take away from this discussion?
- ▶ Share ups and downs and pray for one another.
