- ▶ What is one of the greatest memories you have of your mother?
- ▶ Why do you think the scriptures use the eagle representation in giving life lessons?
- ▶ What was the influence that got you out of the nest and out into life?
- ▶ What is one thing that God used your mom for to 'imprint' on your life?
- ▶ Why are many Christians living below what God intended for them when it comes to living a life in freedom and power?
- ▶ What is a word of encouragement that you would give to a mom in raising her children to leave the nest and fly?
- ▶ Take time to share highs and lows of the past week. Commit to pray for one another.
