CURRICULUM

WEEK 2 /// BIBLICAL GROUP

DISCUSS

To begin, take some time to answer the following questions:

- What do you think it means to be a biblical group?
- What are the benefits of reading the Bible with a group?
- How can your group not only study the Bible but also intentionally live out the Bible in community? What does that look like?

READ

Have a group member read 2 Timothy 3:16-17 out loud.

DISCUSS

After reading the passage, discuss the following questions as a group:

- What does it mean that all Scripture is “God breathed”? Why is this so important?
- The passage mentions that Scripture is useful in four ways: teaching, rebuking, correcting, and training in righteousness. As a group, research the differences among these four things and what each of them mean.
- What should it look like to help teach, rebuke, correct, and train in righteousness in your Life Group?
- How does the Bible equip you for every good work? How have you seen this in your own life?

APPLY

If you choose to read the Bible as a group, try using MAPS as a guide. MAPS is useful for personal reading but also for group reading and discussion.
